

----- LIMITED ONE (1) YEAR WARRANTY -----

SKL Aluminium Technologie™ has a one year warranty on its coolers against all manufactured defects and material imperfections. Our units are built to withstand a maximum pressure of 40 PSI for charge air coolers, 300 PSI for oil coolers and 25 PSI for radiators. The warranty is applicable for one year beginning on the date of purchase and can be requested by the original purchaser only.

Due to the modification units with **crank hole** undergo, SKL Aluminium cannot guarantee the quality of the heat exchange.

It is the installer's responsibility to respect the specifications of the equipment's manufacturer, on which the unit of SKL Aluminium is cancelled. If these conditions are not respected, the guarantee of SKL Aluminium is cancelled.

THIS WARRANTY DOES NOT APPLY OR COVER TO:

- Products subjected to misuse, negligence or any other conditions other than those for which such equipment was designed.
- Products installed unaccordingly
- Damages resulting from any physical or chemical alteration or any electrochemical corrosion.
- Damages due to a failure of warning devices.
- Modified or repaired by a third-party other than SKL Aluminium Technologie™ without any prior authorization.
- Any consequential damages including loss of use, inconvenients, vehicule location, towing fees, loss of time, special damages and punitive interests.
- Product that have been designed and manufactured according to client specifications that have not been calibrated by SKL Aluminium Technologie™.
- All products returned to SKL Aluminium Technologie™ without a bill of sale to end user that indicates the serial number.

FREIGHT POLICY

Indicated prices do not include any freight costs. Shipments will be sent freight collect and client is responsible for the choice of the transporter.

Freight companies sign for the materials picked up at the shipment point indicating they were received in good condition and become responsible for delivering them undamaged to the purchaser.

Any claim for damage or loss of material must be claimed immediately to the delivery carrier and should be made on freight bill before signing.

TERMS OF SALES

All sales will be in cash or cash on delivery unless you establish in advance a credit with SKL Aluminium Technologie™. **All those who want to open an account should request a credit application form. A discount of 1.5% may be applied if payment is made within 10 days from the invoice date.** All accounts expire 30 days after the billing date.

SPECIAL ORDER UNITS

The custom built units are manufactured according to specifications given by the customer. Exactitude of the measurements is the sole responsibility of the customer. For orders regarding custom built units, please complete SKL's official order form included in the catalogue and return by fax or email.

RETURN POLICY

Item to be proven defective by the client must first obtain an RGA (Return Goods Authorization) number. Any unauthorized shipments will not be accepted and forwarded back to the sender at his own cost.

Upon reception of an RGA number, shipment must be sent at the sender's costs.

All units must be returned with a copy of the original invoice as well as the user's invoice with the serial number. It is the purchaser's responsibility to keep the serial number visible at all time for SKL Aluminium Technologie™ to honor its warranty.

If the part is found to be defective after study, warranty covers replacement or repair of the part only. SKL Aluminium Technologie™ will repair or replace the unit and will pay freight costs to ship any repaired or replacement unit to the distributor.

If a returned item is not defective, there will be a charge of 15% for storage.

A repackaging fee may be charged if applicable.
